Schmidt Laboratories, Inc. has been re-awarded the Medicaid State Purchase Eyeglass Contract (SPEC) effective for dates of service on and after April 1, 2001. The Attachment of this *Update* lists the currently covered frames and replaces the information from Appendix 3 of the Vision Care Services Handbook effective April 1, 2001.

As with previous contracts, providers are to purchase a sample kit for the new frames listed in the Attachment. Providers will not be reimbursed by Wisconsin Medicaid for materials included in sample kits. To obtain sample kits, the provider may telephone the contractor at (800) 962-5037, or write to:

Schmidt Laboratories, Inc.

This *Update* article contains Medicaid fee-for-service policy and applies to providers of services to recipients on fee-for-service Medicaid only. For Medicaid HMO or managed care policy, contact the appropriate managed care organization. Wisconsin Medicaid HMOs are required to provide at least the same benefits as those provided under fee-for-service arrangements.

The *Wisconsin Medicaid and BadgerCare Update* is the first source of program policy and billing information for providers.

Although the *Update* refers to Medicaid recipients, all information applies to BadgerCare recipients also.
